

No Surprises Billing Act of 2022

Provision of a Good Faith Estimate

You have the right to receive a “Good Faith Estimate” explaining how much your medical care will cost.

Under the law, health care providers need to give patients **who don’t have insurance or who are not using insurance** an estimate of the bill for medical items and services.

- You have the right to receive a Good Faith Estimate for the total expected cost of any non-emergency items or services. This includes related costs like medical tests, prescription drugs, equipment, and hospital fees.
- Make sure your health care provider gives you a Good Faith Estimate in writing at least 1 business day before your medical service or item. You can also ask your health care provider, and any other provider you choose, for a Good Faith Estimate before you schedule an item or service.
- If you receive a bill that is at least \$400 more than your Good Faith Estimate, you can dispute the bill.
- Make sure to save a copy or picture of your Good Faith Estimate.

For questions or more information about your right to a Good Faith Estimate or the dispute process, visit www.cms.gov/nosurprises or call 800-985-3059.

You may also have rights under the New York Emergency Medical Services and Surprise Bill Act. For more information call 800-342-3736 or surprisemedicalbills@dgs.ny.gov. You may also file a complaint at <https://www.dfs.ny.gov/IDR>.
